

KidBlog Student Instructions

Go to the KidBlog Class Page using the link provided by your teacher.
Log in with the user name and password provided by your teacher.

Creating a Blog Post

1. Click **New Post**

Add New Post

A screenshot of the title input field for a new blog post. It is a long, empty text box with a red arrow pointing to it.

2. Give your blog an interesting title.

Upload/Insert [Image](#) [Video](#) [Audio](#) [File](#)

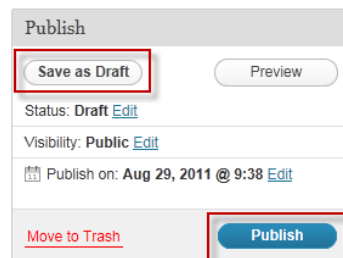

3. Use the toolbar for basic editing or to add media to your post.

A screenshot of the body text input field for a new blog post. It is a large, empty text box with a red arrow pointing to it.

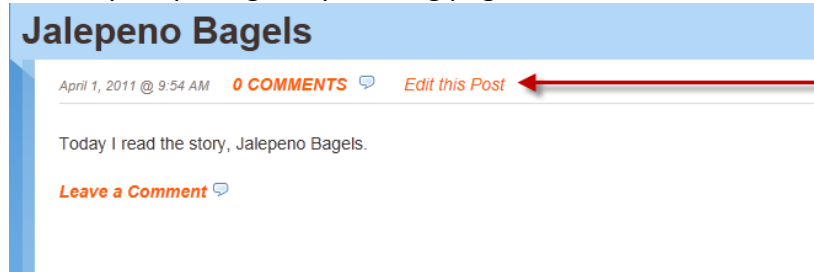

4. Type the body of your post.

5. You may either **Save as Draft** or **Publish**.

Editing a Blog Post

To edit your post, go to your blog page and click **Edit this Post** beside the post you want to edit.

Reading Other Blogs

Click on **Go to Class Blogs**

On the right side of the screen, you will see a Blog Directory. From there, you can click on the name of the person whose blog you want to read.
